

The Greendax logo is positioned in the top right corner. It features the word "Greendax" in a white, sans-serif font, with a green 'x' at the end. The background of the entire page is a dark blue gradient with a large, diagonal green shape that overlaps the logo and the main title. In the bottom left, there is a blurred image of modern buildings with white facades and blue accents, set against a light blue sky.

PRIVACY POLICY

1. Scope of the Policy

1.1. The Company only uses the collected information, documents, and data for reference. Such information that the Client needs to provide includes, without limitation, full name, address, contact number, and email address. The Company stores all collected data and information for seven years.

1.2. In some cases, the Company may collect other personal information from the Client depending on the nature of appeal or use. These further personal details include, but are not limited to, social security number, account number, mortgage information, and health information. The Company may also collect information regarding the Client's appointment on the Website for security purposes.

2. Disclosure

2.1. The Company does not sell, license, lease, or otherwise disclose the Client's information to any third party or affiliate if not deemed necessary and obligatory.

2.2. The Company reserves the right to disclose the Client's information if the detail is required to provide the relevant services and products the Client has requested. The Client's data can also be used to provide him/her an opportunity to participate in the products or services that the Company's affiliates offer.

2.3. General information of the Client will also be disclosed to affiliates that assist the Company in operating the Website, conducting the Company's business, or servicing the Client.

2.4. Under certain circumstances, the Company may also disclose information to third parties and regulatory, law enforcement, or other government authorities if required by law.

2.5. In other instances, information of the Client will be disclosed if:

- If it is required to comply with a legal obligation
- If it is necessary to protect and defend the Company's rights or property
- If it is to secure the safety of other Clients
- If it is to protect the service or product of the Company, or
- If it is needed to investigate suspicious trading or financial activities.

2.6. The Client can obtain his/her personal information that the Company has collected through an email request, subject to the Company's approval.

Risk Disclaimer: Derivatives and other leveraged products come with risks when traded in the market and may not be suitable for all investors. You should consider whether you understand how derivatives work and if you can afford to take a high level of risk to your capital. Before trading with Greendax, you should read the Terms & Conditions and Risk Disclosure in their entirety.

3. Security of Information

3.1. The Company uses security software, systems, and procedures to provide the Clients with a safe and secured trading environment. The Company also uses a Secure Socket Layer (“SSL”) encryption technology to protect the information provided through the Website. Additionally, in line with Chapter 2 herein, the Company has established security methods to protect the Client’s personal, financial, trading, and investing information.

3.2. Despite the Company’s best effort to protect the Client’s information, the Company cannot and does not guarantee that the collected data and private communications will always remain confidential.

3.3. The Client acknowledges that the Company will not be liable if any third party unlawfully intercepts or accesses transmissions or private communications. The Company hereby presumes that the Client understands and accepts those risks upon using the Company’s services.

4. Management and Safety of Funds

4.1. The Company regularly identifies, assesses, examines, and regularly controls each type of risk related to its operation. The effectiveness of the policies, agreements, and procedures shall be able to cover the financial needs and capital requirements accordingly.

4.2. The Company is affiliated with top-tier banks that provide adequate safety measures for the Client’s funds in an effort to be a reliable and transparent financial firm in the trading industry.

5. Encryption

5.1. The Company provides a secured connection using advanced firewalls and the SSL that encrypts and protects received information through servers. This security protocol also prevents data theft and unauthorized access by third parties. This also allows the Company to keep data integrity by ensuring that all data remains unchanged during transmissions.

5.2. In terms of using and performing a transaction (deposit and withdrawal) on the Company’s Website, the collected data and information are encrypted. In addition, a security protocol protects personal information entered on the Website to prevent data leaks.

6. Cookies

6.1. The Company uses cookies to obtain data to improve the Client's trading experience. Cookies are small files from the Client's web servers that may be stored on his/her device.

6.2. Cookies enable the Company to see how the Client could access the Website, which pages are visited, and if the Client is logged in on the Website. Cookies and other collected data from the Website will remain private and not be distributed or disclosed to third parties. Cookies do not contain account or password information, and the Company will not collect information about other websites that the Client visits.

6.3. The Client can manage his/her allowed and blocked cookies through the web browser he/she uses. By visiting the Company's Website, the Client acknowledges the terms, conditions, and risks herein. The Client can still use the Company's services if he/she chooses to block the cookies from the Website, but some functions may be defective, limited, or may not work as designed.
